FINANCIAL POLICIES AND TERMS OF ACCEPTANCE OF CARE

It is important for each patient to understand both the objectives and methods of chiropractic care to prevent any confusion or problems in the future. Please take time to review the information below.

Adjustment: An adjustment is the specific application of forces and physiotherapy to facilitate the reduction or correction of spinal misalignment (subluxation).

Vertebral Subluxation: a misalignment of one or more of the 24 vertebrae in the spinal column which causes the alteration of both muscle and nerve function. This will interfere with the transmission of nerve impulses which can cause the lessening of the body's ability to function properly.

Our office does not diagnose or treat any diseases or conditions other than Vertebral Subluxation. However, if during the course of an examination we find a non-chiropractic or unusual finding, we will advise you. If you desire advice, diagnosis or treatment for those findings, we recommend you seek out the services of your primary care provider. Regardless of what the disease is called, we do not offer to treat it, nor do we offer advice regarding the treatment prescribed by others.

All visit charges are payable when services are rendered. Healing Hands Family Chiropractic requires a courtesy call of giving at least 24 hours notice in the event you cannot keep your scheduled appointment. If we do not receive notification of a cancellation of your scheduled appointment within the 24 hour notice, your appointment will be considered a NO SHOW. We reserve the right to charge the full amount of the missed appointment. It is also our policy that appointments remain punctual; you will be given 10 minute after the start of your scheduled appointment before you are considered a NO SHOW. Healing Hands Family Chiropractic also reserves the right to reschedule any appointments where the patient shows up after the 10 minute start of their appointment and you will be charged the full amount of the missed appointment.

We also offer multiple ways to pay including cash, check or credit card. Please be aware that if you choose to pay by credit or debit card, there will be an additional 3% convenience fee for all transactions.

I (please print)_____ have read and fully understand the above Policies and Terms of Acceptance, and hereby grant permission to receive chiropractic services.
